Do you have a favorite heirloom, collectible or antique? Are you curious about its value? Bring your handheld item (one per person) to The Villa at Westhampton, an exclusive senior community on 18 lush acres in Westhampton, New York. This event will be run by Kathleen Mazza, owner of Island Transitions, and Irwin Natman, owner of Vintage Emporium and a certified appraiser with over 40 years in the antiques business. Kathleen will have some valuable downsizing tips and Irwin will provide an assessment of your personal treasures. It should be very eye-opening & entertaining!

Please come to this fun, educational event—and be surprised if you find you have an exceptionally valuable antique! You will have the opportunity to tour our lovely community while your items are being appraised. You will then be treated to lunch while everyone is told what their items are worth.

We look forward to seeing you on July 30th!
